

FUN FAMILY DAY AT VISITECH SHANGHAI!

Posted on August 1, 2023

This summer, the Visitech office in Shanghai invited their families for fun and games – which became a very successful event!

At Visitech, we firmly believe that thriving employees perform the best. Thus, we seek to incorporate solid family values, togetherness, and fun into our workplace. There is abundant focus on including recreation and amusement in our daily work life.

We hope our successful family fun day with the extended Visitech family in Shanghai encourages others to do the same!
