

MARUBUN CO., LTD. BECOMES AN OFFICIAL DISTRIBUTOR OF VISITECH ENGINEERING

Posted on June 19, 2023

On May 10th, 2023, Marubun Corporation and Visitech Engineering GmbH signed a distributor agreement.

Official Visitech distributor

Marubun will become an official distributor for Visitech's product lines of Additive Manufacturing

subsystems in Japan and provide total customer support, including sales and marketing activities, technical support, and logistics operations.

High expectations

Visitech Japan Managing Director Kazuhiro Ohara said, **"I have high expectations for Marubun Corporation's wide-ranging knowledge, sales activities, and technical support. We will provide more prompt and appropriate customer support in Japan."**
